

Join Us at Asia's Premier Cybersecurity Event

Be where innovation meets leadership.
Passes now available.

21 – 23 October
Sands Expo and Convention Centre, Singapore

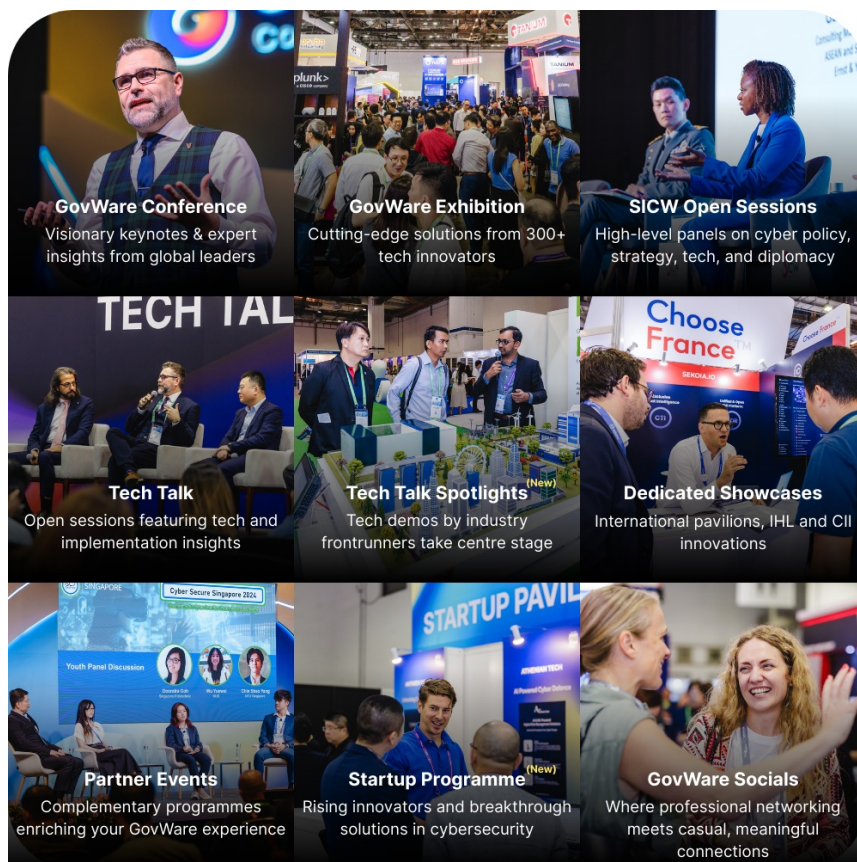

This year's edition holds special significance as the **Singapore International Cyber Week (SICW)** celebrates its **10th edition**, reinforcing GovWare's long-standing role as the anchor trade event and trusted partner of the **Cyber Security Agency of Singapore (CSA)**.

GovWare offers more than just a seat in the dialogue shaping cybersecurity's future. It is where cyber leaders, policymakers, senior executives and industry experts gather to exchange strategic insights, explore emerging technologies, and foster cross-sector collaboration.

Be part of this dynamic experience - where collaboration, innovation, and strategy come together to inspire action and advance collective progress.
